

## East Ferris Memorial and Heritage Park

Resident(s) of East Ferris Township

They were called and they went, they served, they sacrificed...as it is written in *For the Fallen* "At the going down of the sun we will remember them."

I am writing to you on behalf of the East Ferris Memorial Park Committee to inform you of the exciting plan to build a Cenotaph, a memorial to honour those who have served in our armed forces as well as the people who helped build this community. This memorial will be located in the Knights of Columbus Park, across from the Sacred Heart Church in Corbeil.

As a committee we hope to complete the East Ferris Memorial and Heritage Park in three phases as funding becomes available through grants, corporate sponsors and donations.

A number of initiatives will unfold over the next few months to help us reach our target. Our first step is to reach out to you as a member of this community. We ask you to consider assisting us with this project by making a donation or purchasing an engraved paving stone complete with a certificate of authentication. You can donate or purchase a stone individually, as a family or even in memory of a loved one. You can make your donation in cash, cheque; we'll even pick it up.

With your donation we all win. Not only will you make a difference in your community, and enjoy a sense of personal pride in your Memorial, but you will also receive a tax receipt for all donations \$20.00 and over. Please consider a donation of any amount - all donations are appreciated. Your contribution will not only help create a focal point in East Ferris but will also help us build a better community and a landmark to be proud of! East Ferris is a beautiful community and we hope to enhance that beauty by developing a Memorial and Heritage Park.

A special website has been created to help the committee keep you informed – follow this at [www.eastferrisprojects.ca](http://www.eastferrisprojects.ca) "Paving the Future to Honor the Past"

Thank you again for your continued (and much needed) support!

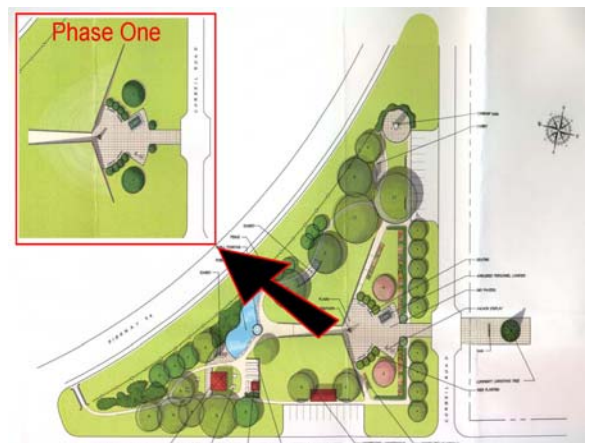

Kind Regards,

Frank Corbeil  
EFMP Fundraising Committee
